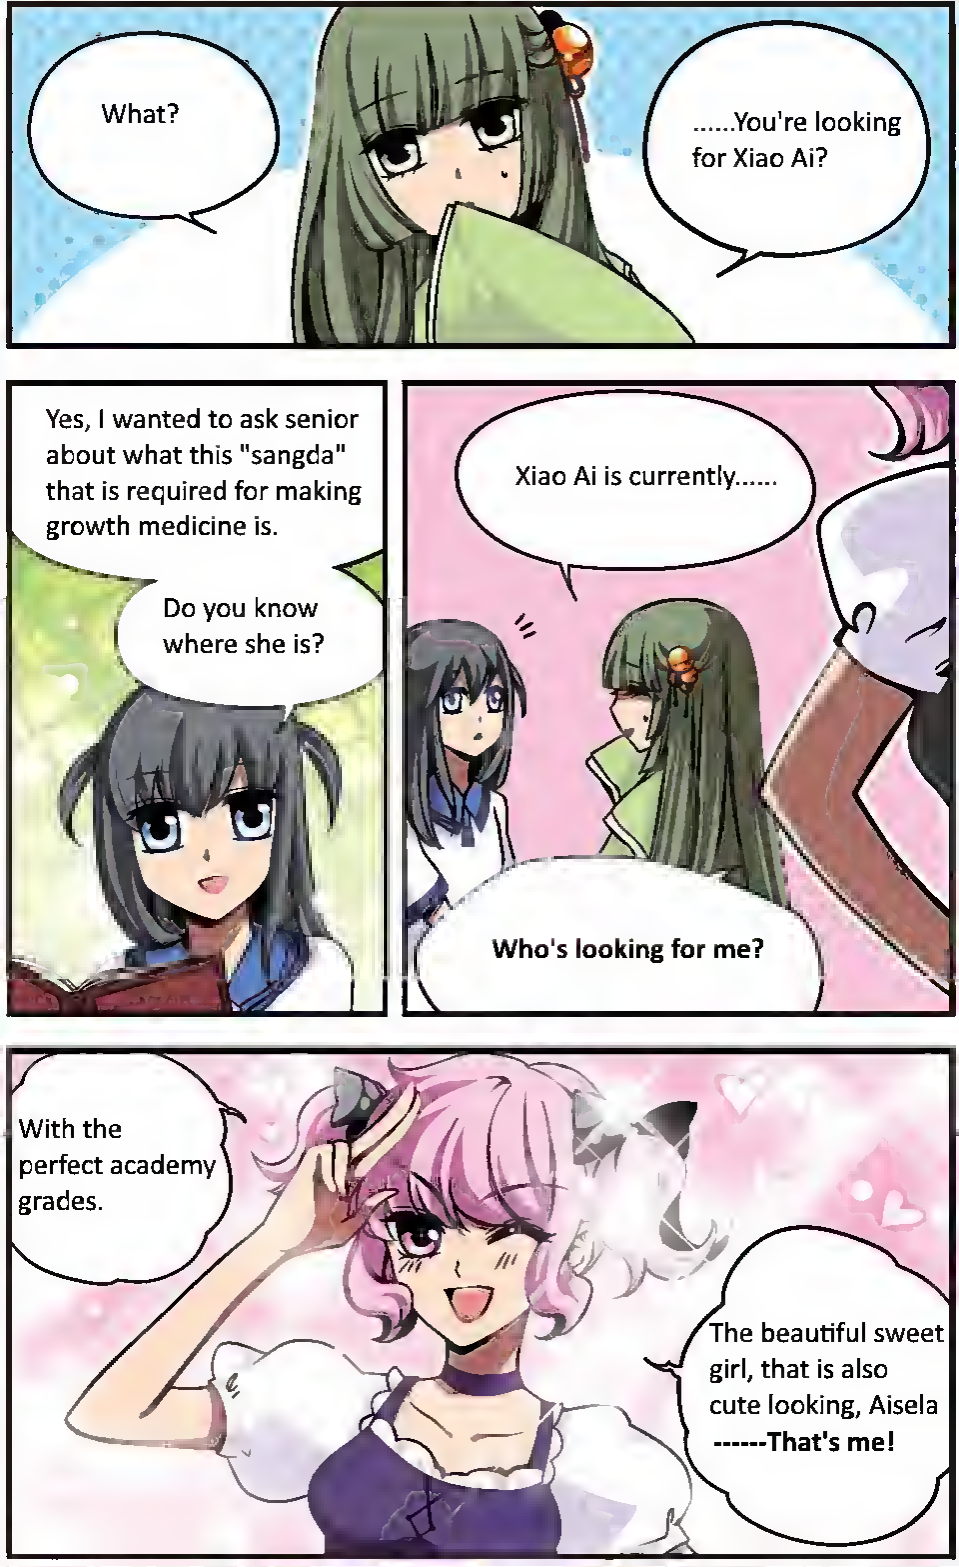
ACT68. Return to the academy



What?
.....You're looking for Xiao Ai?
Yes, I wanted to ask senior about what this "sangda" that is required for making growth medicine is.
Do you know where she is?
Xiao Ai is currently.....
Who's looking for me?
With the perfect academy grades.
The beautiful sweet girl, that is also cute looking, Aisela
------That's me!

SFX: Snatch

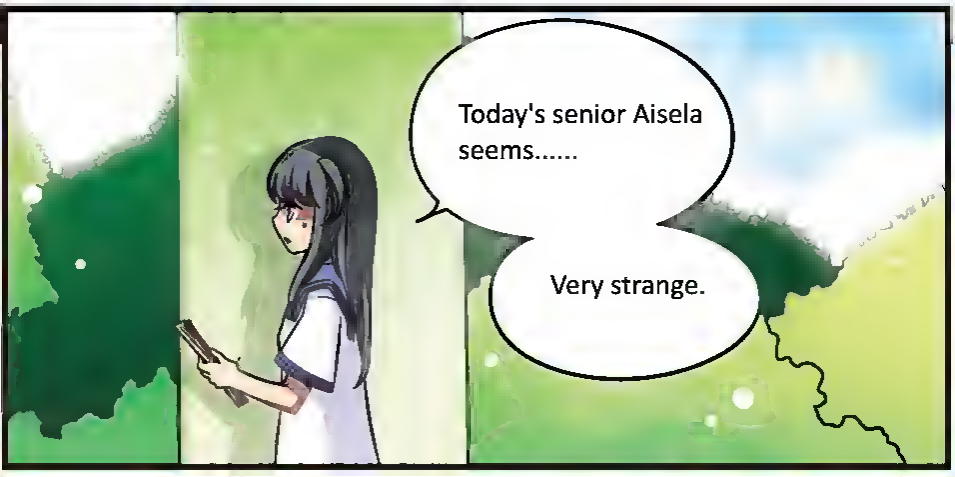
SFX: Well.....

Sorry about that.....
打!
Xiao Ai is not feeling so well today.....
Please come ask another day.
Okay, alright then.

SFX: Wah, Hit!

Eeeeh, Big sis also learned to hit people.

Xiao Zi.....Xiao Ai wouldn't speak in that kind of way, you little dummy.....
Wuwuwu, Big sis I'll work hard!



Today's senior Aisela seems.....
Very strange.

Ah, so what is "sangda" after all?.....
—— It's the scale of the Musang deep water catfish.
Wha wha wha what?!
The person who just went------
已经不见了！
Past.....
SFX: Already gone!
There's..... There's two senior Aisela?
Am I seeing things?

Hmmm! Learning to be like Aisela is not simple.
Mirror Image Skill!
Study! Study! I can't let anyone be better than me!
As if I'd bother trying to like someone!
Humph! Salaman? I hate that guy!

SFX: HIT!

I have never said anything like that!
You little brat that has no common sense!
打!
Gah

.....Xiao Ai? How come you returned alone.
Did something happen?
Wuwuwuwu Aisela is frightening.....
Yeah.
I returned to get the antidote. Salaman he.....
Got poisoned.
Nn!

Salaman, is the wound very painful?
It's okay.
What da you mean it's akay?! Yaur waund is bleeding again! Laaks like Aisela's emergency treatment is na use anymare, ah dammit!
Really! Why isn't she back yet?! Alsa class pres and Christine as well, where did they all ga aaah!
Shauld I ga laak for them?! But I can't just leave Salaman alane here aaah!
Xiao Fu, calm down.
Right Salaman!
Use your own magic! That powerful magic of yours!

Like that time you beat the killer rock; when you went against the council; and also this time, while looking for Comocky.....
If it's that magic, dark paisan ar anything, can be easily cured!

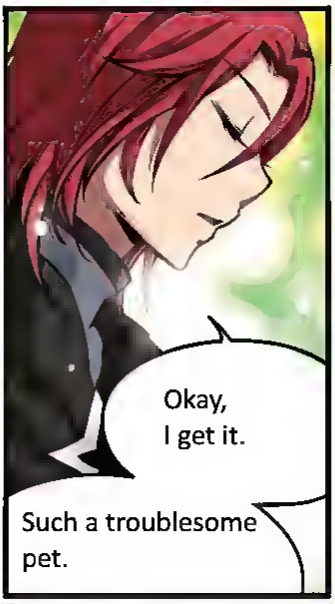
SFX: Startled

SFX: Rejected at once

But you're in donger right now.....
Don't worry, Aisela would definitely bring back the antidote
I just need to persist a bit.....
Huh.....
Why did the sky..... Suddenly go dark.....
Solomon! Are you okoy? Hey! Stoy conscious!
This is bod, the poison is octing up too fost! If it goes on like this.....
If Solomon dies, I won't hove ony woy of recovering my power! No, moybe something even worse would hoppen.....
He won't lost until Aiselo returns.

SFX: Climbs up

SFX: Lift open



Now.....
Extend your orm out.

Good Luck, Demon King!
